When I feel that coming tension I wanna run in your direction. When panics got me by the collar I need to go your way. If it feels right I'm gonna stay out tonight. Cut the Tension. Cut right through. I'm coming straight for you and it's true. Tonight I'm on my way. She smiles. She holds her head just right, because she knows she's the one. When I feel that coming tension I wanna run in your direction. When panics got me by the collar I need to go your way. If it feels right I'm gonna stay out tonight. Cut the Tension. Cut right through. I'm coming straight for you and it's true. Tonight I'm on my way. She smiles. She holds her head just right, because she knows she's the one thing I can't touch.
