

End Of The Sky

Lighthouse Family

Would you like to go somewhere unbelievable?
Where the great big blue sky seems to last forever
Cos I feel like I'll leave it all behind
Living' in the sunshine, that's where I'm going
And I don't think there's anything here that I'll be missing, do
you?
No, I don't think there's anything else to do

So bring on the sunshine
We're gonna fly to the end of the sky

I've got to go cos I ain't indestructible
And I feel like I'm breaking
Running round for nothing
But I'll be all right
I'm not a million miles from seeing the daylight
That's where I'm going

And I don't think there's anything here that I'll be missing, do
you?
No, I don't think there's anything else to do

So bring on the sunshine
We're gonna fly to the end of the sky

Bring on the sunshine
We're gonna fly to the end of the sky

So bring on the sunshine
We're gonna fly to the end of the sky

Bring on the sunshine
We're gonna fly to the end of the sky

So bring on the sunshine
We're gonna fly to the end of the sky
