

Goodbye Heartbreak

Lighthouse Family

Don't be blind
In all the fated life
Something great is happening in your life
But all the noise
Is drowning out your voice
No wonder you've been feeling down
From time to time
You know that you'll survive
The day you realise
You can't stop day from turning into night

Hey, you know you're gonna live
To find another day,
It's just today things ain't so good.
Get yourself back again,
You've got so much love
That you can't afford to lose

Goodbye Heartbreak
Don't look for me
'Cause I don't need you now
So long heartache
Don't look for me
'Cause I don't need you now.
I don't need you now
I don't need you now
I don't need you now
Hey
I don't need you now
I don't need you now
I don't need you now
Hey.

Do you remember as a girl,
You had a picture of the world
And you'd think about the great things you would find?
The thing is 9 to 5
And a struggle to survive
Ain't exactly what you had in mind.
But that's the beauty of life,
It takes a while to find,
And you can't have things your own way all the time

Hey, you know you're gonna live
To find another day,
It's just today things ain't so good.
Get yourself back again,
You've got so much love
That you can't afford to lose

Goodbye Heartbreak
Don't look for me
'Cause I don't need you now
So long heartache
Don't look for me
'Cause I don't need you now
I don't need you now

I don't need you now
I don't need you now
Hey
I don't need you now
I don't need you now
I don't need you now
Hey

Goodbye Heartbreak
Don't look for me
'Cause I don't need you now
So long heartache
Don't look for me
'Cause I don't need you now
I don't need you now
I don't need you now...
Ain't so good
That you can afford
