

# It's A Beautiful Day

Lighthouse Family

There's nothing wrong with me, I'm OK  
It's only because recently been kind of Grey that I feel down  
I know what I'm aiming for  
Don't think so much about everything and let the day take over  
It ain't that hard to do

It's a beautiful day outside  
But you don't know how to fly

There's nothing wrong with you, you're OK  
It's only because things don't always go your way that you feel  
down

Hey what you waiting for ?  
Don't think so much about everything and let the day take over  
It ain't that hard to do

It's a beautiful day outside  
But you don't know how to fly  
It's a beautiful day outside  
But you don't know how to fly

Hey, what you waiting for?  
Don't think so much about everything and let the day take over  
It ain't that hard to do

It's a beautiful day outside  
But you don't know how to fly

It's a beautiful day outside  
But you don't know how to fly  
It's a beautiful day  
It's a beautiful day  
It's a beautiful day  
It's a beautiful day
