

## Lost In Space

Lighthouse Family

Sometimes I get tired of this me-first attitude  
You are the one thing that keeps me smiling  
That's why I'm always wishing hard for you

'Cause your light shines so bright  
I don't feel no solitude  
You are my first star at night  
I'd be lost in space without you

And I'll never lose my faith in you  
How will I ever get to heaven, if I do

Feels just so fine  
When we touch the sky me and you  
This is my idea of heaven  
Why can't it always be so good?

But it's all right, I know you're out there  
Doing what you've gotta do  
You are my soul satellite  
I'd be lost in space without you

And I'll never lose my faith in you  
How will I ever get to heaven, if I do

And I'll never lose my faith in you  
How will I ever get to heaven, if I do

And I'll never lose my faith in you  
How will I ever get to heaven, if I do

And I'll never lose my faith in you  
How will I ever get to heaven, if I do

And I'll never lose my faith in you  
How will I ever get to heaven, if I do
