

## Ocean Drive

Lighthouse Family

Say it's true, black and blue  
I can share your situation  
Keeping hold on our emotions  
They will only make us cry

And you go, but I know  
But you know it ain't so serious anyway  
When the clouds arrive we'll live on Ocean Drive

Don't know why you're so blue?  
The sun's gonna shine on everything you do  
And the sky is so blue  
The sun's gonna shine on everything you do

He left you black and blue  
Without a word of explanation  
And he took your love for granted and  
He left you high and dry

But you'd know someday  
Well you wonder what  
You see in him anyway  
When that day arrives we'll live on Ocean Drive

Don't know why you're so blue?  
The sun's gonna shine on everything you do  
And the sky is so blue  
The sun's gonna shine on everything you do

Don't know why you're so blue?  
The sun's gonna shine on everything you do  
And the sky is so blue  
The sun's gonna shine on everything you do

Don't know why you're so blue?  
The sun's gonna shine on everything you do  
And the sky is so blue  
The sun's gonna shine on everything you do

Don't know why you're so blue?
