

Ocean Drive

Lighthouse Family

Say it's true, black and blue
I can share your situation
Keeping hold on our emotions
They will only make us cry

And you go, but I know
But you know it ain't so serious anyway
When the clouds arrive we'll live on Ocean Drive

Don't know why you're so blue?
The sun's gonna shine on everything you do
And the sky is so blue
The sun's gonna shine on everything you do

He left you black and blue
Without a word of explanation
And he took your love for granted and
He left you high and dry

But you'd know someday
Well you wonder what
You see in him anyway
When that day arrives we'll live on Ocean Drive

Don't know why you're so blue?
The sun's gonna shine on everything you do
And the sky is so blue
The sun's gonna shine on everything you do

Don't know why you're so blue?
The sun's gonna shine on everything you do
And the sky is so blue
The sun's gonna shine on everything you do

Don't know why you're so blue?
The sun's gonna shine on everything you do
And the sky is so blue
The sun's gonna shine on everything you do

Don't know why you're so blue?
