

You're A Star

Lighthouse Family

Well I try not to think about you
And I know I can get on without you
But it all seems to be so hollow
Maybe you'll come back tomorrow

And when they make you feel like you're no one
And when they make you feel like you just don't matter
You gotta get back on a good one
You don't need this at all

Don't let it get you down .
Don't let it break your spirit
Keep your head in the clouds
Like a star

Am I out of my head or something?
Am I beating' myself up all over nothing?
Does it all have to be so much trouble?
Is it all just because of you?

And when they make you feel like you're no one
And when they make you feel like you just don't matter
You gotta get back on a good one
You don't need this at all

Don't let it get you down
Don't let it break your spirit
Keep your head in the clouds
Like a star

Don't let it get you down
Don't let it break your spirit
Keep on telling yourself
You're a star

Don't let it get you down
Don't let it break your spirit
Keep your head in the clouds
Like a star

Don't let it get you down
Don't let it break your spirit
Keep on telling yourself
You're a star

Keep on telling yourself
You're a star
Keep on telling yourself
You're a star
Keep on telling yourself
You're a star
