

Bad Luck And Trouble

Lightnin' Hopkins

Trouble Lord, trouble, trouble's all I see
Trouble, I said trouble, trouble's all I see
Yes, you know I got nobody to work and care for me

Bad luck and trouble, two of my best friends
Bad luck and trouble, two of my best friends
You'll see me with no trouble organizing' bad luck, which
I'm walkin' in

Bad luck and trouble, hangin' 'round my door
Bad luck and trouble, hangin' 'round my door
You believe it I'm a hopin', it won't come back no more.
