Catfish Blues

Lightnin' Hopkins

You know I wished I was a catfish, swimming in that deep blue s ea I'd have all the good looking women there boy, fishing after me Fishing after me Ooh ooh I went down to my baby's house She said, "Lightnin', come on in Ain't nobody here with me good Lord You know I'm your friend" You know I went down to my baby's house, Lord, I sat down on th em steps She said, "Come on in this house Lightnin', husband just now le ft My husband just now left, sho'h 'nough I'm by myself He just now left" You know I went down to the river, started jump overboard and d rown I thought about that little mama, turned around, I went walking back to town Back to town Back to town Sho'h 'nough, back to town You know I wish I was a catfish, swimming, Lord in that deep bl ue sea I'd have all the good looking women's, fishing after me Fishing after me Sho'h 'nough Ain't lying Mmm mmmm go to top of page
