

Don't Think 'cause You're Pretty

Lightnin' Hopkins

Don't think 'cause you're pretty, women, got every man in town

You know you ain't doin' nothin' but tearin' yo' own reputation down

You know the blues a bad feelin', when you have them 'bout the break of day

You know the blues a mighty bad feelin', when you have them long 'bout the break of day

Well, you look for her in the bed, where yo' baby used to lay

Mmm, what you want with a rooster, he won't crow 'fo day?

What you want with a woman, she won't do what she say?
