

Gamblers Blues

Lightnin' Hopkins

You know I once was a gambler, boy, but I lost my money
soon
Yes, I once was a gambler, boy, but I lost my money soon
Yes, I lost all of my money some other, some other
gambler can have my room

You know I lost all my money, in a no good gambling game
Yes, I lost all my money, boys, in a no good gambling
game
I was on my bad luck, kept gambling just the same

When you lose that old no good money, you sit around with
your head hung down
When you lose that old no good money, you sit around with
your head hung down
Yeah, wake up next morning happy, I'm the best gambler in
this town
