Jake Head Boogie

Lightnin' Hopkins

We got drunk last night man, yes, and the night before We got drunk last night man, yes, and the night before Come home tellin' me, yes gonna get drunk some more

I don't want no Dixie woman talkin' 'bout man in my face I don't want no Dixie woman talkin' 'bout man in my face There's a whole lot of women, just rarin' to take her place

This time now baby, just got to let you go This time now baby, just got to let you go Come home tellin' me that you won't get drunk no more
