Rock Me Mama

Lightnin' Hopkins

Rock me baby, rock me all night long
Rock me baby, rock me all night long
I want you to bend your back girl,
Like your back ain't got no bone

See me comin', go get your rockin' chair
See me comin' baby, go get your rockin' chair
Ya know I ain't no stranger,
Poor Lightnin' once lived over here

Rock me baby, one time before you go
