

## You're Too Fast

Lightnin' Hopkins

You're too fast baby,  
Try to slow down for a while  
You too fast baby,  
Try to slow down for a while  
So that when you get lost,  
That mom and baby child

You so fast, baby,  
Ol' Lightnin' can't understand  
You so fast baby,  
Ol' Lightnin' can't understand  
You was so fast when you passed me,  
I couldn't even catch yo' hand
