

You're Too Fast

Lightnin' Hopkins

You're too fast baby,
Try to slow down for a while
You too fast baby,
Try to slow down for a while
So that when you get lost,
That mom and baby child

You so fast, baby,
Ol' Lightnin' can't understand
You so fast baby,
Ol' Lightnin' can't understand
You was so fast when you passed me,
I couldn't even catch yo' hand
