## Your Own Fault Baby To Treat Me The Way You Do

**Lightnin' Hopkins** 

Your own fault, baby, treat me the way you do

It's your own fault baby, treatin' me the way you do It's your own fault baby, darlin' in treatin' me the way you do

You know I did everything for right, I did everything I could to help you

Whoa you once said that you loved me, yes but I found out you were lyin'

Yes you once said that you loved me, found out you were lyin'

Well you know you can't quit me black woman, and there ain't no need in you tryin'

Whoa but still you my baby, don't make no difference what you may do

Yes you still my baby, don't make no difference what you may do

Yes I know you know little woman, how long I been in love with you
