

Jess & Johnny

Lights

The car will get us there so you don't have to wait
We'll drive not walk cause I know that you hate the city when it rains
But it does it all the time so it don't give any time

I love your face your hair regardless of your mood
We learn to talk it over until it's smooth
It really makes you brave but I do it all the time

I love you cause you're mine, so talk to me
Make me feel fine, I hope you can all the time
Forgive if I'm ever on my knee. kiss me if you're mad at mommy
Love me even if I'm a mess, take me as I am, bad or best
Johnny loves Jess

There are a couple things we don't always agree on
What to watch or what we're gonna eat
But I'm willing to change for the sake of me and you
'Cause I know you're changing too

I try to think of how my life would be without you
I would feel so unhappy 'cause you balance me out
You're the minus to my plus when it's just the two of us
So talk to me and made feel fine I hope you can
All the time

Love me even if I'm a mess, take me as I am, bad or best
Forgive me if I'm ever on my knee, kiss me if you're mad at mommy

Love me if I'm a mess, take me as I am bad or best
Forgive me if I'm ever on my knee, kiss me if you're mad at mommy
Jess loves Johnny

Forgive me if I'm ever on my knee
Kiss me if you're mad at mommy, love me even if I'm a mess
Take me as I am bad or best, Johnny loves Jess
