## Like Moths to Flames

Born too numb  
Patience is wearing thin  
Consumed by struggle  
Overwhelmed with angst  
Stuck in my bitter skin

Born too numb  
When all is said and done  
You have to learn to walk  
Before you ever try to run

Fuck this life  
That only  
Take  
Take  
Takes from me  
I will stand firm on my own two feet

Dead inside  
Time only  
Break  
Break  
Breaks me down  
Don't know what more you could expect from me

Walking in the shadows of the night  
A clearer conscience  
Everyday becomes a different fight  
Walking in the shadows of the night  
Hard to see what's in front me  
When everything's in black and white  
Where do we draw the line?

An eye for an eye  
Ends up making the whole world go blind  
and the sins that we selfishly hide  
Have left our pitiful lives in decline  
Where do we draw the line?

An eye for an eye  
Ends up making the whole world go blind  
and the sins that we selfishly hide  
Have left our pitiful lives in decline  
Where do we draw the line?

Fuck this life  
That only  
Take  
Take  
Takes from me  
I will stand firm on my own two feet

Dead inside  
Time only  
Break  
Break  
Breaks me down

Don't know what more you could expect from me

Walking in the shadows of the night  
A clearer conscience  
Everyday becomes a different fight  
Walking in the shadows of the night  
Hard to see what's in front me

Where do we draw the line?

An eye for an eye
