

If I learn one thing in this life  
A lot of people walk around blind and  
Not even reading a book  
Letting alone picking it up  
This basedgod velli  
Gonna change niggas lives  
Change the world  
It's Lil B  
Rawest raper ever  
Rawest rapper alive

Niggas talking about Lil B done killed rap  
Stupid bitch man I brought the rap game back  
It ain't hard to be a thug and go sell crack  
Much harder to have a smile I chose rap  
It ain't hard to smoke weed, and go tote gats  
It ain't hard to pimp hoes, man your lame for that  
It ain't hard to rob a nigga at close range  
Much harder to go outside and use your brain  
Much harder to go to college and go get grades  
Much harder to get a job to go feed your seed  
Real easy to give up and go complain  
Real easy to get a strike and go to jail again  
Real thugs is the one to not kill niggas  
Real thugs is the one that go help niggas  
Real thugs is that one that cry for your niggas  
Real thugs be the one that ride for your niggas

Choose your life (3x)  
Its Lil B

I can tell you the most rappers lying to you  
They dont care about you they just want that check  
Why I rap? cause I do that shit for respect  
Why I rap? cause I want to bring people peace  
I done almost lost my life in the fucking streets  
Thats why man I never glorify the beef  
Most rap niggas face never face 30  
Came home bounce back no hate involed  
Man I swear thats why I call myself based god  
Man I swear if I make it man I pray to god  
Cause I know a lot of people want to be involve  
And I know a lot of people want to see me fall  
But I never give up thats word to mom (2x)
