Fuck that, nigga, I arrive in the foamy,
Bitch know she want me, I'm a show you who got it.
Fuck around with me, bitch, I'm a show you a little profit.
Swag on round here, came to the chopper,
Fifty thousand dollars on a next bitch swagger,
Watch me came in, swagger,
Would she know I came in to do the photo, do without.
Bitch, you know I'm gonna come with the fifty five magnum.
From starter, from better, badder than me.
Better than main bitch, coming with the jet-sky.
Fifty thousand dollars I'm a show them how to mix me,
Next holla bitch know I'm a come to fifty though
Riding downtown and I look like Sisco,
Fifty six bitches fuck me 'cause I look like Sisco.
Riding round the town and the bitches looking disco,
I'm a bake the town with the fifty five crystal.
I'm a show these bitches now we're running with the fifty though
h
I'm a show these hoes playing with the game.

Bitch, don't play with the game, you feel me?
I'm a game swagger, fifty one magnum,
Thirty six bitches fuck me because I'm landwis,
Fuck me, hoe, know that I come spending canvas,
Fifty six bitches fuck my niggas, says you know them.
I'm a come in with the fifty five cold air.
Bitches know me on land, you and your old man.
Fifty six bitches and I look like Coby,
Thirty six bitches and I run like George Foreman.
