

Keep My Eyes Open 2

Lil B

As we proceed, 2 give you what you need
2 ways, to keep my eyes open
2 ways to get paid, only be 2 thangs that's good or bad
I can't cry about the friends that I never had
Only be 2 thangs, keep my eyes open
2 ways to get paid, only be 2 thangs that's good or bad
I can't cry about the friends that I never had

Get that shit bra, listen bra
They walking bra off top
I'm like listen I guarantee man they not missing bra
Fighting the war, that's the mission son
And the war ain't over, the stand up stares like
Check out the beats, that's minor right
You're more like the duck type
I'm the above type
You so left I'm so right
Self made is so nice, but I live that strife life
Yeah I know that night life
So I don't love, strapped up like lights
For the cold nights, I frost bite,
And for the hot nights, I got duct tapes
saying don't jam, and I'm so direct, watch the program
the game the rnb, so fuck the slow jams

Only be 2 thangs, keep my eyes open
2 ways to get paid, only be 2 thangs that's good or bad
I can't cry about the friends that I never had
Only be 2 thangs, keep my eyes open
2 ways to get paid, only be 2 thangs that's good or bad
I can't cry about the friends that I never had

They asked me to speak about how I feel
I'm the only nigga that's major that ain't got a deal
And I put my life in it, no strike in it
You direct movies, you got spike in
I keep it locked, I'm a spit regardless
You got money but I'm a better artist
Yeah I've been, I've been caught them charges
I was looking like a con artist, never would Now I'm working for myself, I'm
not greedy no more
And I'm eating off a bigger plate
Now you wanna hate, I'm feeling great
If I'm down boy you know I got the duct tape
So I keep it legal, a 100% man
I do my thang and I married it
Now the game they can't see Niggas talking down on God but the lord
Only be 2 thangs, keep my eyes open
2 ways to get paid, only be 2 thangs that's good or bad
I can't cry about the friends that I never had
Only be 2 thangs, keep my eyes open
2 ways to get paid, only be 2 thangs that's good or bad
I can't cry about the friends that I never had.
