Lil B

I'm a say for this pink flame  
You know I'm keepin this shit got it for real  
I'm keepin this shit straight from the line  
I ain't lying about shit you feel me, yes, yeah  
You know I love the hood for life  
Man you know I'm thugging for life  
Man real niggas fucking with me  
You already know what it is man  
Shit outspoken man, real niggas come through  
They salute, you feel me, it's your boy lil b, yeah

I'm a keep it real, I'm spitting straight facts  
I really love the hood, but I'm never coming back  
I'm a keep it real, I'm spitting straight facts  
I really love the hood, but I'm never coming back

Niggas real fly, used to be a catterpillar  
Till he turned cat pillar, close the casket quicker  
He was holding on the mac, niggas holding gaps  
With you, tryina get cash quicker than like the last nigga  
Got you killed like the last nigga  
Dumped the last for sure, only crack air  
I ain't that many niggas, what it do my brother  
You know I'm fuckin with you  
But I gotta get my shit together  
Niggas see me in the screen  
But don't see me in life  
Had to fuck upon keys, I had to buy us some life  
When niggas see me on the block, I post up with ice  
So a nigga just tryina keep his fucking lights  
Real talk, low key, take advice,  
So the game straight niggas like a python  
Lil kid died, for keepin on his shoes  
Sellin bad deals, I'm fuckin overdue  
This lil b, feel me  
This from the heart man, you feel me?  
It's all for my real niggas  
This from the heart man, fuck with me

I'm a keep it real, I'm spitting straight facts  
I really love the hood, but I'm never coming back

Dudes sake, now it's over dude  
Whole hood got drugs like hoe food  
I've been dealing with life like most dudes  
Circling in to the patterns of the court room  
Gotta open up my guest room  
Gotta open up my eyes just to get room  
Niggas don't understand, they just let loose  
Gotta think about the whole game, they building it bad  
One come out, the next one in  
It's a cycle you can't stop, you just got to live  
The ones that don't understand, I just pray for them  
Sometimes I feel like the game wasn't made for them  
The hood might have judged, I ain't hatin on em  
Niggas left me on the hood and rollerskated on me  
Niggas mad when I take a vacation homie

Please don't be mad when I say shit brain homie  
It's lil boss, I don't give a fuck, you feel me  
I'm never going back  
You know the hood marry me, you feel me  
That's why niggas lookin at me crazy  
I really love the hood, I'm spittin straight facts  
Feel me, but I'm never coming back  
Lost too many of them  
I lost too many in numbers, I think I had enough.
