

## Old Sku Mobbin

Lil B

I'm zoned out motherfucker  
Aye, what the fuck you doin around here?  
In my spot

One day I was riding down 6th street  
Looking for some bitches that owed me  
You know me I stay with that dojure  
And always, it's motherfuck the rollers  
Until I stay out of pocket,  
I might go back, I stay with the watches,  
Cause nigga it's my time  
And everytime I rap, I'm still dropping down  
I feel it, just because I'm real, and I'm ill  
Bitch tell me how you feel?  
And I might need Viagra, when I mash you  
Cause I'm the fucking champion,  
Give me harder drops, in they ass  
Cause this mad shit don't stop  
And remember me as based God  
I'm rolling one deep with the top dropped

I still got line of the all the Viju  
What you wanna do, I can see through ya  
Man you suckers bout my lettuce  
Cabbage and the green I gets it  
Man the game gets deep, I don't sleep  
Cause bitch I wanna eat  
I'm tired of these noodles  
And these motherfuckers knocking at my door tryina Buddha  
Man I don't sell no weed, I'm out here on the street bitch with the G  
's  
These niggas still haters,  
When I'll make a billion dollars, y'all gonna turn to beggars  
Fuck em, this is real  
If I was a liar, then fuck this bitch feel me  
Niggas hating on me, I'm riding 26 fuck em  
And fuck these bitches

Don't nobody know bout the game I chose  
I stay strapped up that's the way it goes  
The bitch run in game, she another hoe  
I'm dipping down the block in my 64

Don't nobody know bout the game I chose  
I stay strapped up that's the way it goes  
The bitch run in game, she another hoe  
I'm dipping down the block in my 64.
