They won't let me in, 'cause they know I'm a thug.

So man they say, you for me I'm thuggin too hard, man
Well, you know what?

That's what, they don't wanna let me in this bitch
Come fuck via, tell me about, straight to the front,
I'm respected in the streets, let me in the club,
Go up your squad, if you out your thug,
Niggas know my past, they said I'm a thug,
Nigga said Lil B, you must be a thug,
Leanin' on the curb, your boy off drugs,
I can't believe I mean hear everything... a month,
I can't believe I did everything in life, this in the streets
And the son bitches, don't wanna let me in the motherfucking club,
They act like I'm not thuggin', okay
Just because you're not thuggin' does not mean you can refuse me at the club,
I'm a thug, and I demand my rights.

My niggas thug, my niggas thug
We ball 'bout 25 deep to the club,
I need some tear sip, I'm a show you who to scrap
They won't let me in, 'cause they know I'm a thug.
My niggas thug, my niggas thug
We ball 'bout 25 deep to the club,
I need some tear sip, I'm a show you who to scrap
They won't let me in, 'cause they know I'm a thug.
