Trapped in BasedWorld
I'm still smoking dope
Hit 'em with the scope
I look like Al Capone
I look like Ted Bundy
I hate all killers
But I am a thriller
But I am for real-a
Fuck what you think
And fuck what you drank
Bitch Mob here I bought...40 girls
Bitch Mob pretty boy you don't know about that world
I'm down with 10 cases
That's a damn shame
Use your damn brain
Friends got you tapped
Can't take a nap
Cause they sleepin' on your back
