

# Up To Bat

Lil B

Ok baby, hello, hoe guess who's back  
Ook who's back bitch, and I'm bout  
I'm bout it, ok  
I wanna tell you I'm bout that  
I'm bout that life, big fun  
Wo bitch, look, it's the based God

I'm a keep it real, I love a hoe  
As far as money goes, I'm on the road  
Only go to the gold, cast the cast elbows  
45 and drough, yeah I got 9 lives, like the cat  
Sit back in the act, gotta reflect  
Cue game, in charge of steps  
Walk the steps off bitch respect  
Damn, gorgeous, 1, 2, I'm surprised  
Never seen a way, down the God  
You feel me? Used to ride banks now I love em  
Cashing I might fuck em  
Spend the money bitch, to the last bracket  
Only live once and I'm feeling like fuck it  
2 for 1, key 5 and I'm in pain for 1  
Game got curbes, it's over son  
The builders far down I stay in town  
Keep up man, I stay in bounce  
Never been a sucker  
Ask God, I really love you  
When I didn't have a car was outside  
Now I'm inside when I go back outside  
What I do, I'm a gangster, you feel me  
And fuck the strangers, but I love em  
You feel me, hell I'm back, bitch I'm back

I can't believe you won't receive  
If you have the will to believe  
Fuck beef, you gotta watch the fiends  
As far as money goes, it's green  
Lady silver, got gold in the back of the pillar  
Tell me I'm not working, met one cute stressin  
Baby wanna push dope, santa push dope  
Got 5 reindeers and they all hoes  
You feel me? Nobody take control, I'm the coldest in the game  
Niggas gotta wake up, stay jose alone  
Niggas be lying, they all as clowns  
Hit em with the glock, niggas pussies  
People talk a little shit, but they don't push me  
Twist going glock 9, what's up buzz lightyear  
Stayin strapped up with the 9 yeah  
I'm at the top, fuck all them bags  
Microwave everything, you feel me?  
Got a driver in maze, nigga never clean  
You feel me? As far as everything  
Man I be going mary jane, man  
You feel me, and they know about me  
The game phase stay on suckers, get left  
With a motherfucking dug out  
I tell you bitches bout mine, I want it back.
