

Let Me Ease Ya Mind

Lil Boosie

Boosie bad azz Come roll with a real nigga who got you Say girl look

Let Me Ease Ya Mind Bring Ya in My World Cause You Don
Caught My Eye And You can Be My Favorite Girl

Watz up with cha girl how doin watz up with dem draws gul can I get into I'm
looking for
Sumbody who gonna be sumbody my mind made up to be a lawyer so she gonna be
Sumbody She got problems and she say sex ain't the only way to solve'em but
let's
Solve'em let's jump in my bentley and cruise the city with the lights low Ro
ll to da boat
And blow sum stacks and let the dice roll

Let Me Ease Ya Mind Bring Ya in My World Cause You Don
Caught My Eye And You Can Be My Baby Girl It's gon be alright
{fuck what dem haters say} It's gon be alright {I got cha} Cause you can
Be my baby girl

I don't know what you been told but I'm a hustler {I'm a be aight} yo man a
in't nunthing
But a busta and I know you tired Come with me tonight and butcha like big bo
ys I'm talkin
The best when you get lonely put cha head on my chest it fit cha Ya never de
alt with a
Nigga my type who make ya happy take ya places teach ya game sum like ya rea
l
Daddy I'm just tryna ease ya mind and I'm tired of hearing over and over all
the time
She like boosie I got a boyfriend but I'm like girl yo boyfriend ain't balli
n plus he bearyl calling
So waz up I got plane ticket just me and you I'm like he scared she late now
she packing her
Bags, first class is how we do it let me cater to you let cha shop to ya dro
p spend sum paper
On you whatever no matter the pleasure is better den what cha dream of thug
passion
From a real thug say gul

Let Me Ease Ya Mind Bring Ya In My World Cause Don
Caught My Eye And You Can Be My Baby Girl It's gone be alright
{fuck what dem haters say} It's gone be alright {I got cha} Cause you can
Be my baby girl

You been on my mind all night and I can smell ya {and ya smelling right} and
girl I wanna tell ya
I'm a let ya ride take ya on a rollercoaster with me {you know} riding round
blowing doesha
Through the city conversate and we laugh talk about the future and past time
{old days} good
Love making cause it's been so long since the last time kissing and fucking
stuck in dat shit to da
Bed eyes go back in my head and she go down on dat head and dats my homie, l
over, friend
{you go be alright} da one who I can fuck with to da end {you gon be alright
} I got cha girl man
Dem hoes ain't up and our world dem niggas either you ain't never had a thug

like me go tell ya
People when ya with me it's amazing {good times} I give ya knowledge, teach
cha game, give ya
Wisdom shit dat you can't learn in college just be my lady I know how to tre
at a lady it's whateva
I keep a secret baby

Let Me Ease Ya Mind Bring Ya In My World Cause Don
Caught My Eye And You Can Be My Baby Girl t's gone be alright
{fuck what dem haters say} It's gone be alright {got cha} Cause you can
Be my baby girl

I don't, cause you can be my baby girl I don't know what you been told but I
'm a hustler
I don't know what you been told but I'm a hustler {I'm a be aight} {I'm a b
e aight} {I'm a be aight}
{so you can be aight} {she gon be aight}
