

Loose As A Goose

Lil Boosie

Uh oh loose as a goose
I'll be loose as a goose
Loose as a goose
I'll be loose as a goose
Loose as a goose
I'll be loose as a goose

I'll be loose as a goose don't get me started
2 shots of patron comin all at tha party
I'll be loose as a goose don't get me started
With a click on tha niggas when I step off in da party
Loose as a goose don't get me started
Full of that liquor when I step up off in tha party
Loose as a goose don't get me started
Gon on them jiggas when I step up in tha party
Knock Knock Knock Knock
Don't get me started
Cause I'll wild out n clock clock loc 40'
Knock Knock Knock Knock
Don't get me started
Cause it can get retarded yeah heard me retarded

Got a body bag
And a couple masks
I bust his ass then I pop a nut in half
Comin through the club man I got my own swag
Don't look wrong cause I will get on your ass
Goons on deck all my niggas acting bad
Wipe me down on girl I'm Boosie Badass
That liquor got me trippin can I have you girl (please)
Can you give me head in the bathroom girl
4 car garage man I'm in my own world
Neck full of pieces
Bitch you got to see me
Always good lookin
My mouth kind of crucket
I'll be loose all in Central Bookin
I'm Boosie Badass

I'll be loose as a goose don't get me started
2 shots of patron comin all at tha party
Loose as a goose don't get me started
With a click on tha niggas when I step off in da party
Loose as a goose don't get me started
Full of that liquor when I step up in tha party
Loose as a goose don't get me started
Gon on them niggas when I step off in tha party

I'll be loose as a freak hoe
That fuck 'n givin ya deep throat
We in the club deep depot
My tolerance is zero
When I'll be in the club are you ready on the dealio
V.I.P cause it will be full with bad bitches like a video
And I'm standing where you do that
We buying all that moet
You bet take your H*e and leave if we haven't got your H*e yet

I'm loose like a goose
With a duce of that juice
I mite slow your ass down but for me it is a boost
I am a motherfucking gangster in the club where the G's at
And I ain't taking my car when they ask where your keys at
Make ya all OI lady put your head where your knees at
If you don't break it of they find ha where they leaves at
Dolla Dolla bill all a nigga really need
I knew how to count the money before I knew how to read
Bet that choppa go and knock a nigga arm out his sleeve
Cause when I get loose somebody child gone bleed

I'll be loose as a goose don't get me started
2 shots of patron comin all at tha party
I'll be loose as a goose don't get me started
With a click on tha niggas when I step off in da party
I'll be loose as a goose don't get me started
Full of that liquor when I step off in tha party
Loose as a goose don't get me started
Gon on them niggas when I step up in tha party

I say Gone mama tata
That's all good
Take a look up at the roof
I't me telling somethin silly
Be down on that nigga
I'm really am a villin
Going back going back
I'm in the motherfucking guttar
Do what you do
Watch my sneakers
I spend good money
Step on it and I sneak ya
I am to pieces
Like I got a whighles
Giving to Boosie everybody
You know know the jiggles
It's sittin on my mouth
A couple in my hand
Going to take a ride to Simon
Gonna wear a bandana
Don't think about it nigga
You ain't got a chance
Last night I hit ya bitch up in a three point stance
I was up on stage tellin 'he DJ run'
Got a couple real niggas
That keep on coming when I just blow the wistle
When my mind, when my mind yeah
I think this is getting old
In the club like it should be
Getting my head chopped off

I'll be loose as a goose don't get me started
2 shots of patron comin all at tha party
I'll be loose as a goose don't get me started
With a click on tha niggas when I step off in da party
I'll be loose as a goose don't get me started
Full of that liquor when I step off in tha party
Loose as a goose don't get me started
Gon on them niggas when I step up in tha party
