Man I be thugging, I be fresh, I be super clean
With Gucci shades wit some j's you ain't never seen
The race car jacket with bout 80 fucking patches, with the car to match it
Tony Stewart, it's a classic
Ya'll penny pinching nigga, we spending on ya'll niggas
Call savage from the back, come pour some Henny on these niggas, man

Bitch u wanna come in that south, where it get dumb in that drought

Where nigga's wild out like O-dog and run in yo house
