

Tear It Down

Lil Boosie

Bootin in this bitch up on top of everybody like we flew up in this bitch we up in this bitch I on care who up in this bitch we 'll lose it in this bitch if you get stupid in this bitch.

I step off in the club looking for the enemy, my soldiers rite on side of me half of em kin to me I'm a woop this nigga head with dis fifth of henneseey

If I lose my life tonight I want ya'll to remember me.

So he show he wanna be gangsta I guess so and well if he is boosie bout to let you know look I'm badass and I hurt people I dress in black clothes with calicos and I murk people and you want beef I was raised around hard heads if the ant josin then they all dead put that iron on em like yo paw said, BUCK BUCK BUCK BUCK yea that's the south side sprayer 4 times to yo mind if you a southside hater.

I smoke I drank I do my thang I ant suppose to stop shit cause I'm a grown ass man and I'll woop yo fucking head good cause last week he wasn't a hundred deep and he was talkin out his head good.

Let's tear it down in this motha fucka let's tear it down tear it down mane let's go on catch a round nigga, let's tear it down in this motha fucka let's tear it down tear it down mane let's go on catch a round nigga let's turn the lights on in this motha fucka, hit the lights, me and this nigga finna to fight, let's turn the lights on in this motha fucka, hit the light, me and this nigga finna to fight.

All the hoes tear it down all the niggas get off, I hit the club shit on my chest ready to get this shit out, I got bout 9 bands for this nigga drivin so wat you hollin throwin 4's pushin hoes this playa gone get to hookin these people gone get to squeeze and people gon get to leakin then people gon get to leavin they ant breathin now we even, the dumbest of the season if you beefin bring dem creatures where you sleepin any reasson, Now this a mother fucker d-no just got a L that's what got me punchin on shit now drag em out of hea I got a shoulder for yo shoulder nigga what and we don't give a fuck let tear this motha fucka up, I went from the youngest of the click an I'm the dumbest of this bitch now mo hoes on my dick and mo niggas stay talkin shit now, Big dawg youngin in charge tellin em this if you don't know now you know bitch yo ass nigga be the click

Let's tear it down in this motha fucka let's tear it down tear it down mane let's go on catch a round nigga, let's tear it down in this motha fucka let's tear it down tear it down mane let's go on catch a round nigga let's turn the lights on in this motha fucka, hit the lights, me and this nigga finna to fight, le

t's turn the lights on in this motha fucka, hit the light, me and this nigga finna to fight.

Hey Hatin ass nigga what you wanna do, what you wanna do nigga what you wanna do I see ya lookin at a nigga but what you wanna do what you wanna do nigga what you wanna do, Drop top no roof real swift no proof trill fam young savage I'm the whole damn truth I don't feel like fakin I feel like fightin and I feel like bakin if that's where we gotta take it and I feel so me I feel so rude and I feel like these niggas better watch my shoes and I feel so messy I feel so webbie and I feel so ready so anybody can get it and everybody that's with em fuck em all I don't like em I know they ant even in it but still and all I wanna fight em you get to close and I'm strikin ant no rules in street fightin that razor with me I'm slicin or bitin like mike tyson .

Let's tear it down in this motha fucka let's tear it down tear it down mane let's go on catch a round nigga, let's tear it down in this motha fucka let's tear it down tear it down mane let's go on catch a round nigga let's turn the lights on in this motha fucka, hit the lights, me and this nigga finna to fight, let's turn the lights on in this motha fucka, hit the light, me and this nigga finna to fight.
