I made the girl cook 4 me n don't even cum by,

I make the girl pussy wet when I look in her eyes
so boosie never surprised when he get in them thighs.
I got my heart broke at 14, that was way way back.
So all the girls after that, it was straight pay back.
I like 2 lay back n take trips n dress you up,
but when you start mouthing off you messing up.
So shut it up. Would you forgive a real nigga answer that?

Would you still be with him answer that.
If he had another baby put you in a situation
would you forgive him or leave him n hate him.
Y u thug me like dat? I swear 2 GOD I don't mean 2,
sometimes I feel like I don't need you.
