I'm wit my niggaz half the day n she aint feeling dat.  
Y she at home cooking n cleaning im getting stacks.  
She love a nigga but I be damn if she trusts a nigga.  
But the sex still a 10 when we fucking nigga. N she like:  
Y u thug me like dat? I swear 2 GOD I don't mean 2,  
sometimes I feel like I don't need you.  
Now I promise not leave ya pussy wet yea rite,

I guess I live the life of a super star driving all dez fancy c

n real talk man I can have any broad. Plus I hate 2 see you cry  
ing, I hate 2 tell you lies, that's y deep inside she be like y  
you thug me like dat. It's just in me, been doing girls wrong  
since I stepped off in McKinley. Hate 2 put my hands on ya cuz  
I feel bad. I wear a rubber when im fucking but you don't feel  
dat. They got a lot of women wrong, got a lot of women strong.  
But when you got a super star you gotta hold on. Super star go  
try 2 fuck all dez hoes yea rite, but when they zip down them b  
auds everything alright. My nigga bleek he like: GO HOME 2 YO O  
L' LADY, SHE CATCH YO ASS SLIPPING SHE GO BUST DAT 380.  
Y u thug me like dat?  
I swear 2 GOD I don't mean 2, sometimes I feel like I don't nee  
d you.  
Look this how I play it,  
if I ever fuck with ya,  
ima fuck another girl see if you go fuck another nigga.  
Y you thugging like dat.  
Cuz im boosie badass,  
if she don't suck it I aint mad,  
I can't do nothing but laugh.  
I made the girl cook 4 me n don't even cum by,  
hope this dirty shit don't cum back on taulaijah n I.  
I make the girl pussy wet when I look in her eyes  
so boosie never surprised when he get in them thighs.  
I got my heart broke at 14, that was way way back.  
So all the girls after that, it was straight pay back.  
I like 2 lay back n take trips n dress you up,  
but when you start mouthing off you messing up.  
So shut it up. Would you forgive a real nigga answer that?

Would you still be with him answer that.  
If he had another baby put you in a situation  
would you forgive him or leave him n hate him.  
Y u thug me like dat? I swear 2 GOD I don't mean 2,  
sometimes I feel like I don't need you.
