

When I Die

Lil Cuete

[Chorus:]

Remember... when I die...
Girl don't chu cry...
Jus dry your eyes...
I never meant for me to say good bye... buh
Remember when I die...

[Lil Cuete:]

When I die don't want chu to cry...
Jus hold your head up high...
And keep your dreams to da sky...
Cause in your eyez babe... uh uh... I see no lies...
And you know what... I love you so much...

[Lil Cuete:]

When I die... when I die ey ey...
Will you be on my side?
Miss me with pride?
And keep my name alive?
Tell me baby...

[Chorus:]

When I die...
Remember... when I die...
Girl don't chu cry...
Jus dry your eyes...
I never meant for me to say good bye... buh
Remember when I die...
I'm sorry for da way I let chu down...
(I'm so sorry...)
I'm sorry for the way things went down...
(Between you and me...)

[Lil Cuete:]

I'm all out of excuses
You say I'm no use if I just say I'm ruthless
See da way it's da way it's all useless
So what can I do to make it right with chu...
I'm so confused I wish you didn't have to walk in my shoes...

[Chorus:]

Remember... when I die...
Girl don't chu cry...
Jus dry your eyes...
I never meant for me to say good bye... buh
Remember when I die...

Baby when I die...
Will there still be love in your eyes for me?
Will you still to see thing the same way you see?
Baby when I die
I want your pretty face to be the last thing I see!
I'm sorry, I' m stuck in my ways...
I pray everyday that maybe one day I'll change...
You know the rest
You say my life's a mess and I'm possessed and obsessed
I just think I'm overstressed... (when I die)

And I finally paid the cost will u jus take it as a loss
So jus think about the pain that I caused
And when I die will you remember me
And all the good in me... (ohh when I die) that you only see on the good times
Whith me...

[Chorus:]
When I die...
When I die ey ey...
Will you be on my side?
Miss me with pride?
And keep my name alive?
Tell me baby...

OoOo when I dieeeeeee
OoOo when I dieeeeeee
OhhhhuOhhh
Will you remember me?
Like I remember you!
And all the time you spent with me...
And all the things we used to do
You'll never really know
How much u meant to meee
My heart will be with you until then end
Just wait and seee...

[Chorus: x2]
Remember... when I die...
Girl don't chu cry...
Jus dry your eyes...
I never meant for me to say good bye... buh
Remember when I die...
