

Lord Don't Make Me Do It

Lil Durk

Sometimes I get the urge to kill a bitch (kill that ho)
And I ain't even violent (and I ain't even violent)
That's why a nigga gotta plead the fifth (I gotta plead the fifth)
Sometimes it's good to stay silent (it's good to stay silent)
Lord don't make me do it (lord don't make me do it) x8

She steady threatening me with these court dates (I ain't scared)
Unfollow bitches from my Insta (stupid ass bitch)
That's why I'm single like I am (let's get it)
And I'll never be a Mr (can't wife these hoes)
See my twenty steady breaking up my window
So I gotta chill, stay low in these rims though
Just how he hit it, he gon' make an example of me
Shit, and I gotta case pending (let's get it)
Cause these hoes steady calling my ho
Had this bitch steady breaking my code
Is it my finger prints from my 5S
Or one of my stuck up ass hoes?
Hold up let me think, let me take a drink
Cause I don't really know if no one care what a motherfucker think (don't give a fuck)
I'ma go crazy (I'ma go crazy), I'ma go crazy (I'ma go crazy)
And nobody sane (let's get it!)

Sometimes I get the urge to kill a bitch (kill that ho)
And I ain't even violent (and I ain't even violent)
That's why a nigga gotta plead the fifth (I gotta plead the fifth)
Sometimes it's good to stay silent (it's good to stay silent)
Lord don't make me do it (lord don't make me do it) x8
