

# Change The World

Lil Eddie

If I could reach the stars,  
Pull one down for you  
Shine it on my heart  
So u could see the truth  
That this love I have inside  
Is everything it seems  
But for now I find,  
Its only in my dreams

[Chorus:]

That I can change the world  
I would be your sunlight in your universe  
And you would think my love and realy something, baby  
If I could change the world.  
If I could change the world.

If I could be king,  
Even for a day  
I'd take you as my queen  
I'd have that whole world waiting  
In the love [?]  
In this kingdom remain, baby  
Til then I'll be a fool  
Wishin for, wishin for the day

[Chorus:]

That I can change the world  
I would be your sunlight in your universe  
And you would think my love is realy something, baby  
If I could change the world.

That I can change the world  
I would be your sunlight in your universe  
And you would think my love is realy something, baby  
If I could change the world...
