

# Close Your Eyes

Lil Eddie

Standing on the corner  
Me and my teardrops  
At the same place we first met  
Thinkin 'bout that day how you made my heart drop  
You picked it up  
And now its back in my hand  
I used to live in a fairytale daily  
But now the honeymoons over  
And a love rollercoasters here  
Imma say it's scary  
I'm tryna get to you  
But your so unaware

I'm warning you  
Please don't close your eyes  
If you blink I'm scared it's gonna be the last time  
You see me  
So please don't close your eyes  
Before someone else steals me from your side  
Don't close your eyes  
Close your eyes  
I don't wanna have to say goodbye  
Don't close your eyes

I remember you used to be attentive  
Baby wouldn't allow to bottle things in  
Now you barely even talk to me  
Our love is blowing away with the wind  
I used to live in a fairytale daily  
But now the honeymoon is over  
And a love rollercoasters here  
Imma say it's scary  
I'm tryna get to you but your so unaware

I'm warning you  
Please don't close your eyes  
If you blink I'm scared it's gonna be the last time  
You see me  
So please don't close your eyes  
Before someone else steals me from your side  
Every girl needs attention and love  
Now something is missing  
I feel it in your touch

I'm warning you  
Please don't close your eyes  
I don't wanna have to say goodbye  
Don't close your eyes  
Close your eyes  
Don't close your eyes  
Close your eyes  
Don't close your eyes  
Close your eyes  
I don't wanna have to say goodbye  
Don't close your eyes

I'm not sayin there's somebody else out there for me

Ain't no space for me  
To fall for someone new  
Baby only heaven knows  
Feel the beat of my heart  
I don't wanna let you go

I'm warning you  
So please don't close your eyes  
If you blink I'm scared it's gonna be the last time  
You see me  
So please don't close your eyes  
Before someone else steals me from your side  
Every girl needs attention and love  
Now something is missing  
I feel it in your touch

I'm warning you please don't close your eyes  
I don't wanna have to say goodbye  
Dont close your eyes  
Close your eyes  
I don't wanna have to say goodbye  
Close your eyes
