

Outta This World

Lil Eddie

broken night and now the sun's about to come up again, again
i'ma dance [?] i don't want this escapade to end, to end
i say we ride, [?] i wanna touch this so fine
take a risk, live on the edge, let's escape so that no one can
break us

run away, to [?] and run away again, get up and go all aboard t
he fresh train
don't pack your bags leaving [?] we run away, sleep when we die
party tonight
take me outta this world, outta this world, outta this world, o
utta this world

pocket full of money, we don't need a job today
so drink it up let's spin the bottle plant your kiss on me
i say we ride, [?] i wanna touch this so fine
take a risk, live on the edge, let's escape so that no one can
break us

run away, to [?] and run away again, get up and go all aboard t
he fresh train
don't pack your bags leaving [?] we run away, sleep when we die
party tonight
take me outta this world, outta this world, outta this world, o
utta this world

we'll be missing this cause all my [?]
rebels bad as they come yes we run away
we may have won so why not just do what we want, do what we wan
t baby
live once, and i'll let you do what you want just take me outta
this world

this world, outta this world, outta this world, this world,
outta this world, outta this world, outta this world, outta thi
s world, outta this world
take me outta this world, outta this world, this world, this wo
rld, yeah.
