Lil' Flip

Yeah, Play & Skillz, just let it bang  
Na'm sayin'? Hah-Hah, feelin' this one  
Yeah I'm feelin' this one  
We talkin' bout music  
Pay attention listen up cuz I..

I Rock & Roll, this is how a glock explode  
My music is like crack, cuz I rock the shows  
You got to know, that can't nobody stop my flow  
My concerts like drugz, got fans got to go

I'm like crack, whenever I perform on a track  
Cuz if you from outta town you about to get taxed  
And that's that..I ain't changin' my price for nobody  
You can keep them points cuz you ain't gon' sell four cotties  
Cuz ya style to sloppy, ya beats ain't knockin'  
and when you in public, them freaks ain't boppin'  
My 6-4 hoppin' when I'm ridin' down the street  
I still feel like I'm hustlin' (why?) cuz I'm raw with these beats  
You could put me on a plane, or put me on a train  
cuz no matter where I perform, they understand my slang  
They understand my pain and how I took over the game  
From this day on, rap 'll never be the same

I Rock & Roll, this is how a glock explode  
My music is like crack, cuz I rock the shows  
You got to know, that can't nobody stop my flow

I need 25 a show, I need 30 for a verse  
(Them video's on BET) yeah I know how much I'm worth  
(How much?)..I'm worth alot, cuz I really work alot  
And since Will Lean my nigga, I gotta help him out  
So I'ma put him out (so nigga kick ya feet up)  
And when the stores sell-out (then it's time to re-up)  
So keep yo D-up, cuz we comin' with the heat man  
And if you get a deal make sure yo niggaz eat man  
And to my fans, I appreciate the love  
So holla at ya boy when I'm at the club  
Cuz I ain't Hollywood, I'm from the Hollyhood  
The difference between me and them my music good
