That reefer that reefer I be on it everyday

I kno how to cure my weed, but I can't wait I'll take it now
I roll em fat u can ask snoop how we blow big
You do it to if u got 80 g's for 4 gigs
See out in Canada I get my hands on everything
My girl can't handle I'm in love with that Mary Jane

Look I don't do the lines, ice, and the x pills
But I guarantee u cali got the best field
Firs u roll it roll it

When it's gon get u another blunt then stuff it stuff it
Don't cuff it cuff it
