Houston, Texas, the third largest city in the U.S.A We really off the hook, we off the chain man

No doubt, off the rip, ain't no telling about me Busting haters on a mill that like a half a ki I come prepared off the block, keeping one in the chamber Back from no where here comes the black lone ranger From a rookie to a star, to a certified pro Cause I'm all about my dough so I'm the ceo When I turn on the corner best believe they look Cause I'm platinum in the ghetto and I'm off the hook When I jump up in my ride I pack a, concealed weapon Cause ain't, no, half, stepping Lesson one my man, go on and do what you do And you need to get the rifle or you worried bout two Cause I'm hated by many, and loved by few But I kill down fry 'fore I bother you I'm no fire, baby I done got me a spot It's the Commission rich man represented by cops

I'm on fire, on fire, that's the name of the game
They say we off the hook but we really off the chain
Wrote a rhyme baby we can sure grind
East and West coast and the dirty Southside

I'm on fire, on fire, that's the name of the game
They say we off the hook but we really off the chain
Wrote a rhyme baby we can sure grind
East and West coast and the dirty Southside

They shouldn't of said ran they mouth say he can't come back He took a year vacation, and he go like that I'm sitting swoll like that, you know I'm cold like that Off the hook, off the chain you know we roll like that I pledge allegiance to the thug society I grind all week and act a fool on Friday We click up, dumping the trucks and do the pick up In and out all these freaks just like a stick up Who you know, gone be ready to ball I'm talking bout let it go, and don't matter the price It might be tailor mo', cause I'm a sure get mine

And then do a 3-60 or get left behind
Push dubs through the city cause I like to shine
Sitting tall on boys with the seats reclined
I'm 25, really trying to live so live
Praying to reach the top before the day I die
H-Town, Atlanta, you love it the most
D-Town, New Orleans represent third coast

I'm on fire, on fire, that's the name of the game
They say we off the hook but we really off the chain
Wrote a rhyme baby we can sure grind

Don't knock the hustle man it's all the same
We all greedy and hungry and want the same damn thang
T-E-X-A-S let me really represent it
Always riding dirty so the windows stay tinted
Haters frowning up nigga take that mask off
God damn right, I'm stunting my ass off
Houston, is how to get that feel
Memphis 10, Orange Mile then a trip to the Ville
Big ups and more props to the big boy flossing
Fellas living gangsta and woke up in Austin
I'm on a mission cause I love to ro'
Hit the stage on fire then the Don explode
No pain, no game, that's the price of fame
Grab the mic and went off and left the place off the chain

I'm on fire, on fire, that's the name of the game
They say we off the hook but we really off the chain
Wrote a rhyme baby we can sure grind
East and West coast and the dirty Southside
