When you see ma in the club, backing up

When you see me in a Benz, with a bad ass chick

Mash on Benz throttles, and knock down models  
Ghetto stars, all got at least six cars  
The cleanest ones in the parking lot, that's ours  
We got money and the power, respect and game  
On the hustle so much, we expecting change  
Been to a lot of big places, cause I got big faces

Say mayn, I use to be last in line at the club  
Now I'm V.I.P., I walk pass the line at the club  
In my gator shoes, and my gator clothes  
Demari and Izar, La Cast on you hater hoes  
King of the underground, Bun ain't gotta remind ya  
Sweat no brow, there's always one hiding behind ya  
Little bit finer, with a lot of designer  
Clothes in the closet, that blow you right out of my mind  
Now baby girl, you already know my ear mode  
Triple play party, in the backseat of the limo  
You on one, but your girlfriend is on two  
You want me and she want you, here's what we gon do  
Oh buddy, I wanna entertain your company  
Oh buddy, they chose eachother right in front of me  
And then I'm going from one to two, and from two to one  
Cause this here, ain't nothing new to Bun so

When you see me in the club, and I'm acting up  
You'll be like (they go), oh oh oh buddy

Hit the parking lot swiftly, so nifty  
22's spin on the truck, a 3-60  
Get in the Lac Slim in the back, chrome leather wood in the gat  
Covered in black, look at the mack  
Oh buddy, sipping on some'ing muddy  
Tasting so lovely, got's to be bubbly  
We doing it pursuing it, you never ruin it  
Lil' Keke the Don, representing for Big Unit  
The H2, working the MP3's  
Plus the 7-4-5, on the D-U-B's  
We slab riding, hang gliding and all that  
Voicemail picking up, call me right back  
I'm on tour, probably dressed in Valore  
All eyes on me, like I'm Tupac Shakur  
The Dirty Dirty, getting all the loot  
And it's one thang fa sho man, the Don the truth

When you see me in the club, and I'm acting up  
You'll be like (they go), oh oh oh buddy  
When you see ma in the club, backing up

When you see me in a Benz, with a bad ass chick  
You'll be like (they go), oh oh oh buddy
