Worry Bout You

H-town, I finally figured out why it's so hard to do you You so worried bout me 7-13

I'm coming down I'm showing up
I'm sick of trying, come pour it up
I'm grieving, grinding
I'm switching lanes
Nigger what about you?
I'm looking though
I'm pulling hoes
I'm going for it
I'm turning heads
I'm doing just what I'm supposed to do

Nigger worry bout you You, you, you, you, you You, you, you, you You're so worried about me, worried about me Worried about me, worried about me Nigger worry bout you You, you, you, you You, you, you, you You're so worried about me, worried about me Worried about me, worried about me

I'm switching lanes It's understood that my swag first Going strong then I'm still alone And I'm still laughing in thirst I turnt up and you turnt down Showed up and get burned up Hold up in my dry clean Drink out on that slowly And it's all lames on your team Getting blown we sucked those We doing the things that we want I play hard but it's still first Still doing shit that we don't Turn up!

I'm coming down I'm showing up I'm sick of trying, come pour it up I'm grieving, grinding I'm switching lanes Nigger what about you? I'm looking though I'm pulling hoes I'm going for it I'm turning heads I'm doing just what I'm supposed to do

Nigger worry bout you You, you, you, you, you You, you, you, you You're so worried about me, worried about me Worried about me, worried about me

Lil' Keke

Nigger worry bout you You, you, you, you, you You, you, you, you You're so worried about me, worried about me Worried about me, worried about me

Going for you when I turn heads My mind made and I'm getting paid I'm fast thoughts so I'm killing late My bitch high and ... Heard of me, sitting at the top where I deserve to be Them lame games but I can't change So I never let this shit here worry about me Doing the things that I'm supposed to do Make a show, I'm never next to you You love the game I get a shot to screw Talk love but it don't phase Coming down this shit crazy I work hard and I punk laze It's all real and you flew gaze Stand up with no hand doubt These birth plans are my cape rout These high flights will I take'em? Hating niggers I break off Poured up when I crawl slow This downside if you're getting nowhere Got the lights on

I'm coming down I'm showing up I'm sick of trying, come pour it up I'm grieving, grinding I'm switching lanes Nigger what about you? I'm looking though I'm pulling hoes I'm going for it I'm turning heads I'm doing just what I'm supposed to do

Nigger worry bout you You, you, you, you, you You, you, you, you You're so worried about me, worried about me Worried about me, worried about me Nigger worry bout you You, you, you, you You, you, you, you You're so worried about me, worried about me Worried about me, worried about me

Take in your time and worry bout yourself You're so worried about me, worried about me Worried about me, worried about me Nigger worry bout you You know you need to worry bout yourself Instead of worrying about me You're so worried about me, worried about me Worried about me, worried about me Nigger worry bout you Chill please believe we got us one right here
