

# Came Back for You

Lil' Kim

Good evening ladies and gentlemen, I am the one and only Queen Bee  
After me there will be none, but you could call me Miss White  
Most people know me as, Lil Kim the head of the La Bella Mafia  
Oh, shoutout to my girl Victoria Gotti and the whole family stay up

This time around I ain't takin no shit, this time around I never get bit  
This time around I switched up my flow  
Got rid of the pits and put rottts by the do'  
This time around it ain't like befo'  
This time around I'm gon' crack ya jo'  
The feds is watchin me so I can't do much  
Speak the wrong words bitch and you will get touched  
I'm back on the scene my favorite color is green  
I'm buildin a empire got a whole new team  
Pimp game is strong, raps is just harder than they ever been  
You can never win  
Made my way through Hollywood fashion world adores me  
Music's my first love a nine to five bores me  
Love me or hate me Lil Kim come through  
My fans across the world I came back for you

I came back for you  
All incarcerated scarfaces gangstas with the fed cases  
I came back for you, all my fans across the world holla at your girl  
I came back for you  
Everybody's waitin on me all these hoes hatin on me  
I came back for you, the mink rockin Benz coppin keep the bottles poppin

It's the real hip hop mami check the facts  
I'm sick of all you acts with your bubble gum raps  
Like the sand in the hour glass you out of your time  
Tried to go against the queen is you out of your mind?  
Even be at number two, your chances is slim  
Cause when God made Adam, he should've made Kim  
I gave a few passes but I never forget  
It's enough I got to put up with this Doo Doo Brown chick  
Now you and you wanna come at me from all sides  
I'm gettin money, don't think I just be lettin shit slide  
I'm very concerned with fashion ain't my fault y'all don't know how ta  
Rock this Hollywood thang y'all need to let me style ya  
Come back, to the light ma, I started the shit  
How soon we forget I'm the heart of the shit  
So keep your tacky ways and go back to your stripper days  
As long as I'm around, you gon' bow down

I came back for you  
All incarcerated scarfaces gangstas with the fed cases  
I came back for you, all my fans across the world holla at your girl  
I came back for you  
Everybody's waitin on me all these hoes hatin on me  
I came back for you, the mink rockin Benz coppin keep the bottles poppin

This time around either your in or your out  
This time around you better watch your mouth  
This time around you gon' hang or bang  
This time around you better do your thang  
Cause I'm the best that ever done it, the best that lived it

I ain't no overnight success goddamnit I was born with it  
The Prada mama, the Dolce and Gabbana drippin  
The Blue Hypnotic Martini Mimosa sippin  
Y'all better team or get it together  
Or you, you and her can get it whenever  
Huh, I got a army y'all can't harm me  
If the show was on the other foot you probably try to starve me  
Don't get your life taken I know I got you shaken  
This Bed Stuy fly girl came back for Brooklyn
