Never a flaw
A different kind of high
Yaknow, feel me on this, huh, uhh

Ladies and gents Your dopest host presents extravagence in the ladies' frame, leavin cum stains Niggaz remain in awe, when I brought a Dillinger Throw it to ya jaw, uhh Never a flaw Never before, have you seen such magnificense in the black princess, yesss Flow's phenom, I'm the bomb-diggy Ask Biggie, keep a dedicated squad wit me Call us the Gabbana girls We dangerous, bitches pay a fee just to hang with us Trust, niggaz lust Without a bank account, I doubt we could swing that route Feel me out uhh, I'm used ta hangin wit boosters, in the best name brand with the in-sane clan, man listen My position is lieutenant Like a block of hash, got the burners up in it Percent it, I send it back to ya greasy Freak it arabic style, sha-muck-daha-steesy To please me you got to be well off Bust a shell off, wit a tattoo that starts off

Damn Ma, I love you like the lah, the ganja Sensimilla, can I feel ya All I wanna do is touch ya The ultimate rush, you're drugs baby Damn Ma, I love you like the lah, the ganja Sensimilla, can I feel ya All I wanna do is touch ya The ultimate rush, you're drugs baby

Uhh, to my niggaz that trick a little To my bitches that suck dick a little While they niggaz lick the middle, I'm the Don y'all High driven Jean Paul Cartier wear Yeah, enough glorifyin Lyrically electrifyin, bitches by lyin bout the clothes they be buyin Some stores won't even let you whores in Til I begin to embarass that ass and get crass Kim surpass, all crews Bitches still drinkin booze I sip Cristal and Landcruise Recieve all the oohhs and the ahhhs, the jewels and the cars Slick nigga, I'm stickin you Baby Pah, uhh Yes indeed, flows first class and yours is coach like the bag, the Prada mama Jog five miles a day then I hit the sauna My girls rock Chanel and smoke mad marijuana

Damn Ma, I love you like the lah, the ganja

Sensimilla, can I feel ya
All I wanna do is touch ya
The ultimate rush, you're drugs baby
Damn Ma, I love you like the lah, the ganja
Sensimilla, can I feel ya
All I wanna do is touch ya
The ultimate rush, you're drugs baby

Inhale this, clench your fist Then ya, feel the mist through the uterus Can ya, picture this Life without me, wake up you're having bad dreams cause ya fiend for a toke My crew tote Tocques and mink coats On the cell with the boat What you thought, we get caught and get bailed out Fuck the jailhouse, Hennessey on the rocks is all we got as we sail out, entrepeneurs Cristal pourers, be glad we ain't takin yours Boring huh, I'm warnin ya Style waits for no bitch, a dream bitch when I fuck with scratch and sniff Now I stacks the shit, practice it So no bitch can tax the shit, miraculous So I can relax a bit, and get my toes licked The drugs nigga, a-hah hah hah!

Damn Ma, I love you like the lah, the ganja Sensimilla, can I feel ya All I wanna do is touch ya The ultimate rush, you're drugs baby Damn Ma, I love you like the lah, the ganja Sensimilla, can I feel ya All I wanna do is touch ya The ultimate rush, you're drugs baby
