Lil Mama

LAL LA LM  
New York New York LA LA  
LAL LA LM  
New York New York LA LA

How you get it like that  
How you get it so fly  
How you get it so tight  
How you get it so...  
How you get it like that  
I am hot little body  
You are a new...  
How you get it like that  
How you get it like that

I got a West Coast swing when I swing you  
I got West Coast bang when I bang you  
With a west coast slang when the West Coast came out  
I am a menace and I am Cain  
Listen open like... my name is Gucci  
Tripping like the luce of the lucy  
East to the West Coast momma look it  
I got... then I got Gucci  
Nice rings on my... Gucci  
... got a... you can smell it...

How you get it like that  
How you get it so fly  
How you get it so tight  
How you get it so...  
How you get it like that  
I am hot little body  
You are a new...  
How you get it like that  
How you get it like that

I am just spitting... melody  
Till these boys go crazy  
Until they bang me then... I am just...  
I am just spitting... melody  
Since I was a lady...  
No racks and no babies  
Go crazy I decided my...  
That's my baby  
We get down...  
Can't be right  
I am so for real  
I am also I'll  
With my loco skills  
... kill like I am going,,  
Give ma loco deals...  
I am just spitting... melody  
It's for the East Coast West Side  
It's for the West Coast East side  
This is for the South lil mama  
It's so national world wide  
It's from... something for the...

Get to like me...

I am the big dog with bog balls I rip all  
I break up to break down me don't fall  
We no call the deals just hand me the beans  
And if you seen it you ain't telling who it is  
With a bag and... put the gangster and show my...  
What it is and what it ain't  
I always bang and go hard to bang  
Bitch... I am creeping with my... while I am... a bitch  
The bitch eat appel so I am about ti check out the mix  
Have me a seat with the... on my feet  
In the past I had a little drama it's like that but now I am back with lil m  
ama  
Call it a confusion... you all get the music...

It's for the East Coast West Side  
It's for the West Coast East side  
This is for the South lil mama  
It's so national world wide  
... New York
