

## Rape Attack

Lil Mama

I went to my mom  
I told her that I meet this boy  
He was cute  
But the only thing was  
He was 20  
I didn't tell her that  
I told her that he  
Was 16  
So that he was aproved  
I asked her can  
I go to his house  
She answered yes  
So I went upstairs  
To put on my bathing suit  
I didn't know why I needed it  
I had to sneek out the house with it on  
When I got to his house  
He asked me have I ever had sex  
I said no  
He asked did I wont to  
I said no  
But he did it anyway  
I went back home  
I didn't say anything  
But after 6 mouths  
My stoumate got  
Bigger, bigger  
Hungier, hungier  
One day my mom  
Asked me what was wrong with me  
I said nothing  
But she knew  
So she dicided  
To take me to the doctor  
The dotor said  
That I was prentant  
At a ponit I dicied to tell my mom  
I said that the boy I told you  
Was 16 is actually 20  
I told her that I  
Would take good care  
Of the baby  
When the day can I named  
The baby cristy aalinasion wells  
And the dad was no where to be  
Founddddddddddddddddddddddddddd  
In that was my rape attack
