

Like a child that has just been born
Like a kid in a candy store
You make me feel so brand nu (you make me feel brand nu)
Like a heart that's never been broke before
Baby im so secure cause you make me feel so brand nu

When I first met you boy I was scared of you charm
Cause I was so sure you would break my heart
I wasn't strong enough to let down my guard
Till you told me don't be afraid to fall in love
Cause you knew about hurt and you'd been scarred
I started to believe and I gave love a chance
And I been born again

Cause baby, you you make me feel brand nu
My darling baby, it's true
Only you can make me feel the way I do
My darling baby

You're my dream come true answer to my wish
And I never ever felt a love like this
And just when I thought it couldn't get no better
Then you told me you wanna spend the rest of you life with me
Got down on one knee and gave me a ring
Kissed my face and I already knew before I said "I do"

You make me feel brand nu
My darling baby, it's true
Only you can make me feel the way I do
My darling baby

Like a child that has just been born
Like a kid in a candy store
You make me feel so brand nu (you make me feel brand nu)
Like a heart that's never been broke before
Baby im so secure cause you make me feel so brand nu (you make me feel
l brand nu)

You make me feel brand nu
My darling baby, it's true
Only you can make me feel the way I do
My darling baby

You make me feel brand nu
My darling baby, it's true
Only you can make me feel the way I do
