

Mother Of Your Child

Lil' Mo

How you gonna go and tell your family, that you can't stand me,
that I be trippin' and I'm using our child jus to be with you,
well correction babt I don't wannabe with you, I think you got
it twisted, when nine and a half months ago I was your booo, e
ver since our baby's been born, you been acting real brand new
and that ain't even cool

You can't jus disrespect me, you can't just neglect me, boy let
me tell you, I'm the mother of your child and your stuck with
me for life, you can't just up and hate me without communicatin
g, two steps from love, I'm the mother of your child and your s
tuck with me for life

So, so, so I guess you got a new girlfriend, who says that if y
ou want to be with her she must come first, how selfish can som
eone be, (let me refresh you memory), three days of labour pain
s, put on your sexual weight, couldn't leave the house for seve
n days but somehow you walked away, I don't have to see your fa
ce but please take care of your baby

You can't jus disrespect me, you can't just neglect me, boy let
me tell you, I'm the mother of your child and your stuck with
me for life, you can't just up and hate me without communicatin
g, two steps from love, I'm the mother of your child and your s
tuck with me for life

I don't want you and I realize that it's over, but there's a be
autiful baby that we both created, and our baby needs for you a
nd me in it's life so stop living a lie, because it's not about
money or the time... you weren't even there to cut the cord, y
ou weren't even there to give me support so now your wondering
why your up in court... ha, ha, ha, ha(yeah, yeah, yeah, yeah,
yeahhhhhhhh)

You can't jus disrespect me, you can't just neglect me, boy let
me tell you, I'm the mother of your child and your stuck with
me for life, you can't just up and hate me without communicatin
g, two steps from love, I'm the mother of your child and your s
tuck with me for life
(3x)

It's gon' rain on your head
