

My Story

Lil' Mo

For fifteen years been doing my thang
Ooh, ooh, yea-e-yeah, yeah

A little girl from North Island
Thinking back when it all started
I always had big dreams
(Always had big dreams)
Wanna be a superstar
Said that I was touched by God
Now I can tell the world all about

My life, my heart
My story, my everything
To all of you is all of me
My story, my everything

My life, my heart
My story, my everything
To all of you is all of me
My story, my everything

My life, my heart, my story
The answer to the calling
Now the whole world can see
(They will know about me)
Shout it from the highest mountains
Into the valley lows
In each and everybody there is a Lil' Mo
They gotta know about me
They gotta feel the love
I gotta show 'em all from the biggest to the small
From the bottom of my heart
To the depths of my soul
How I made it through the fire
And came out pure as gold

My life, my heart
My story, my everything
To all of you is all of me
My story, my everything

My life, my heart
My story, my everything
To all of you is all of me
My story, my everything

I'm giving you, me
Everything of me
My whole story
I hope that you will see
The life I'm living
Why I'm giving
I give to you
Everything of Mo

I'm giving you, me
Everything of me

My full story
I hope that you will see
From the bottom of my heart
To the depths of my soul
I went through the fire
To come out pure as gold

My life, my heart
My story, my everything
To all of you is all of me
My story, my everything
